

**West White Rose Project
Request for Information (RFI)
Drilling and Formation Evaluation - Reference No. 8.41.1.009**

Husky Energy Inc. (Husky), operator of the White Rose field and satellite extensions, is seeking information from suppliers relating to:

Drilling and Formation Evaluation – West White Rose Platform

Specifically, Husky is requesting that suppliers of Drilling and Formation Evaluation (Logging While Drilling) services share technical information on new technologies and solutions available. Suppliers interested in providing information Husky are asked to complete the contact information table below and send via email to travis.burke@huskyenergy.com and allison.scarth@huskyenergy.com no later than **Monday, May 14, 2018 at 12:00 p.m. (Newfoundland Time)**:

Reference No.:	8.41.1.009
Company Legal Name:	
Company Full Address:	
Company Phone Number (Main):	
Contact Full Name:	
Contact Phone Number:	
Contact Email Address:	

Husky will subsequently send interested companies a Confidentiality Agreement for signature, followed by a detailed RFI package outlining the requested scope and relevant project data. At Husky's discretion based on information received, suppliers may be requested to provide a presentation on recommended solutions (anticipated during the week of May 24st – June 10th, 2018). It is expected that presentations will be supported with documentation provided to Husky (copy of presentation, equipment information and specs, etc).

This RFI is for knowledge purposes only and is not a basis of supplier prequalification. A formal Expression of Interest / Prequalification process will be carried out at a future time in accordance with Husky's standard procurement process.

If you have any questions, please contact:

Travis Burke – Category Adviser, WWRP Operations
Phone: (709) 724-5628
Email: travis.burke@huskyenergy.com

Please note that any updates to the above noted RFI will be posted on the Husky website accessible by the following links:

http://wwrp.huskyenergy.com/Procurement_Opportunities

or

<http://www.huskyenergy.com/operations/procurement-opportunities.asp>

Please check periodically during the pre-submission period for any updates that may be posted.
